

**It doesn't matter where  
you are. What matters  
is where you are going!**

**STEP INTO THE FUTURE**

**CCAC**

**From wherever you are  
in the country!**

**CCAC PREPARES YOU FOR THE FUTURE**  
with an  
**ASSOCIATE DEGREE IN ELECTRICAL  
CONSTRUCTION TECHNOLOGY**

from the Community College of Allegheny County.  
**PITTSBURGH, PA**

- Affordable in-state tuition (no fees) for apprentices and journeymen anywhere in the United States
- 100% online courses
- Dedicated and accessible online advisor ensures a seamless transition into the program and full support
- Previous college and military credit evaluation
- All credits are fully transferable to a number of four-year institutions offering bachelor degrees in areas such as Construction Management or Construction Technology.
